

Two Common Myths About PTA

“PTA is a bunch of Moms.”

No it isn't! PTA is for anyone that is devoted to the educational success of children and the promotion of family engagement in schools.

We encourage everyone in our community to join: parents, grandparents, teachers, administrators, and business and community leaders. You don't have to have a child in our school to a part of maintaining the quality of education in our community.

“I don't have time to volunteer, so I shouldn't join PTA.”

Yes, you should! We of course need volunteers to run the many great programs we offer, but we want you to join our PTA even if you don't have time to participate. By paying the annual dues of only \$10/year, you can make a big difference in the programs that benefit our school and our children.
